### Mia's Translation:

"My Gogo and Uncle stayed at my house. I went swimming at Lakeside and went to Mermaid Island and jumped off of it into the water. I got a slushy. It was messy but I ate it anyway. At lunchtime, I went to my Halmoni and Papa's house. They had pineapple and mint and grapes and eggrolls and watermelon and spinach. My Grandma came too for lunch. I got hurt and got a lot of booboos."
